

"Fall Sangria"

Mix the following together:

- 1-64 oz. bottle of Apple juice or cider
- 1-750 ml. Bottle of Fireball whiskey
- 1-bottle of white wine, ie: Pinot Grigio

Just before serving add 1 bottle of club soda.

Notes: I like to serve chilled with "unmeltable" ice cubes, then serve over ice (in a different bowl).

You can also cut up apples and cranberries for adding to your glass!
