

WHO WE ARE:

... owners of various types of RV's: trailers, fifth wheels, Class A's, Class C's, etc. We have a great time attending organized campouts and rallies.

Organized in 1997 with 7 couples, we have grown to approximately 60 members. New members and visitors are welcome.

Quarterly meetings are held beginning with a delicious potluck dinner, a short business meeting, and an opportunity to visit with our friends.

Community topics that could affect our group, a review of places visited, schedule, and opportunities to sign up for future trips are standard subjects covered.

- Dues are \$36 per year per rig. These fees are used primarily for sponsored event reimbursements.
- Name Badges are \$5 each (one-time fee).
- Members are entitled to discounts and sales from Affinity RV, our sponsor.

MAJOR BENEFITS:

- Sharing experiences/locations.
- Unit maintenance/solutions.
- Campouts, coordinate with other groups, rallies, etc.
- Unit discussions, upgrade recommendations and benefits.
- Menu ideas, cooking, and equipment.
- Make new friends.

Whether new to RV life or an experienced RVer, you will have an opportunity to visit remote parks and beautiful areas of the Southwest in the company of friendly club members.

Attendance at our quarterly meetings is a good place to learn about RVing and use the experience of other members.
